Academic Integrity Policy

The university is committed to maintaining the highest standards of academic integrity. Students must complete all assignments honestly and acknowledge the work of others through proper citation.

Plagiarism occurs when a student presents someone else's work, ideas, or writing as their own without proper attribution. This includes copying text from books, websites, or other students' assignments.

Consequences of Academic Misconduct

Students who violate the academic integrity policy may face disciplinary action. Penalties can include a warning, a reduced grade on the assignment, failure of the course, or suspension from the university.

Repeated violations may result in expulsion from the institution.

Attendance Policy

Students are expected to attend all scheduled classes and arrive on time. Excessive absences may negatively affect a student's final grade.

If a student must miss a class due to illness or personal emergency, they should notify the instructor

as soon as possible.

Late Submission Policy

Assignments submitted after the deadline may receive a penalty of 10 percent per day late unless prior approval has been granted by the instructor.

Submissions more than five days late may not be accepted.

Code of Conduct

Students are expected to behave respectfully toward faculty, staff, and fellow students. Disruptive behavior, harassment, or threats will not be tolerated and may lead to disciplinary action.

The university aims to create a safe and inclusive learning environment for everyone.
